 UTM 10S
 599.807km E
 4113.734km N

It also indicates that the bearing and distance to the trailhead is: 292°True 6.3 miles

Where are you?

ATTENTION:
 Public access to the Mt. Umunhum and Mt. Thayer areas of Sierra Azul Open Space Preserve is restricted due to intervening private property on the access routes as well as unsafe structures at the former Almaden Air Force Station. Other open space lands in the southern area of the preserve are also currently inaccessible due to intervening private land.
